Interweave. 1 Paperback(s), 2012. soft. Book Condition: New. Knitting is increasingly being viewed as a hip hobby, so it was perhaps inevitable that the styles of yesteryear would enjoy a second vogue as well. Here Geraldine Warner first teaches you how to update any vintage pattern to accommodate modern sizes and gives advice on choosing substitutes for yarns that are out of production. In the book's second section, Warner methodically explains how to adapt modern patterns to create a vintage silhouette, teaching you how to mix and match sleeves, necklines, or collars to the pattern of your choice to achieve a classic look. Vintage photos paired with modern images in color make this into an idea book for discerning knitters. 175.
