With her mother consumed by the need to keep up appearances, and her father too busy to care, Tiy just wants to disappear into the background. But her hope for a quiet life is shattered when she rescues Prince Amenhotep from a sandstorm and is rewarded with an invitation to attend the royal school in Egypt s capital -a place where girls like her will never belong.Amenhotep welcomes her into his close circle of friends and their friendship strengthens into a bond neither is willing to lose. But when Amenhotep becomes Pharaoh and is pressured by the priests to marry, the strength of their friendship is threatened. Will Tiy find enough courage to accept Amenhotep s hand when he wants her to become the next Queen of Egypt, especially when her feelings run no deeper than friendship? And how can she protect him from the Nubian rebels who are determined to take control of Egypt?
