A sorcerer who is not content with using elementals for casting spells. He seeks much greater status, using demons as his source of power. But that in itself brings peril, for demons are not lightly summoned and even looking upon their world is forbidden. Caught in the act, Lothanal is stripped of his name and banished, but first a great spell is cast, preventing his use of magic. Bitter, he wanders the land, his heart set on revenge. He makes a pact with the demons, offering one hundred souls to seal it. Only war can help him deliver his promise and given his soul is already part of the bargain he has every incentive to start one. Drachar, a bitter and resentful Lord who will unite the krell tribes and bring doom upon the world.
