John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, An Angels' Guide to Working with the Power of Light, Laura Newbury, Born out of the author's cry for help, and the surprise at receiving an answer from angels, come these inspirational channelled messages giving guidance and answers to questions that are universal to all mankind. The angels made it clear that their words in print carry the essence of the divine, positively affecting all who read them. The methods and techniques given by the angels to heal physical and mental pain, in answers to the author's questions, are in fact answers to issues we all face at this time. The key theme throughout the angels' messages is Transformation. Transformation from Fear, Despair and Ill Health to Joy, Abundance, Happiness and Well-being by following the Truth of our Hearts, by the Power of our Minds, by Forgiveness (of ourselves and others), and through Gratitude and Trust. This book is not a story but a guide to self-empowerment through the power of light and love. A power which transforms, as it did for the author, all that is negative and dark to all that is positive and light.
