The Art of ClearCase Deployment: The Secrets to Successful Implementation

By Buckley, Christian; Pulsipher, Darren

Addison-Wesley Professional, 2004. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "An essential read for any organization using change management. Whether you are new to ClearCase or an experienced user, this book addresses key points that will drive you to a successful ClearCase deployment and usage model." -- Adam Levensohn, manager, ClearCase Technical Support, IBM Rational Software "Buckley and Pulsipher offer the voice of hard-won experience leavened with significant amounts of humor, which is not exactly what one expects from a book about configuration management (or any computer science book, for that matter). The way I see it, a book that offers advice about 'how to reduce build cycle times for large, multi-site products'in terms of 'eating an elephant, one bite at a time'is definitely worth reading. Thanks to these guys, I'm the proud owner of a brand-new VOB, and after I read the detailed advice herein about how to configure it, it works like a charm!" -- Kendall Scott, author, UML Explained By using IBM Rational ClearCase, development teams can dramatically improve their productivity and responsiveness throughout the entire software lifecycle. Now, there's an easy-to-use ClearCase deployment guide for every team member: project managers, analysts,...

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
