Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. A desperate search. Schoolteacher Gracie James has never seen more danger than in her kindergarten classroom, but when she goes searching for her missing sister, she's thrown into a world of sex, crime, and passion. Following a hot lead, she sneaks onto a stranger's boat and gets caught. Their one-sided conversation convinces her of two things. One: The guy is seriously sexy. Two: He knows something about her sister. Oh, yeah. And did she mention he's sexy? And a sizzling attraction. Jake Alexander, former cop, is staking out a yacht brimming with criminal activity for an insurance company when a woman, dressed to kill and totally irresistible, stumbles into his dangerous undercover op. If he didn't tackle her, she'd have tottered straight onto the questionable yacht in those ridiculous high heels. Then she'd be dead. Or worse. As much as he'd like to kick her off his boat, he can't risk her going off on some hare-brained scheme but he can't keep her around to muck up his job. Oh, yeah. And did he mention she's distracting as hell? Lead to dangerous desire. Unfortunately she has a keen mind of her own. And a body any man would die for. Jake's attempt to keep Gracie safe quickly morphs into a reluctant alliance. And a whole lot more. But Gracie finds herself knee deep in more trouble than she bargained for, with secrets revealed and the criminals coming after her. Unless she and Jake find a way to trust each other, they're finished. Oh, yeah. And did they mention they're in love?.
