By Harvey Daniels, Nancy Steineke

Heinemann USA, United States, 2004. Paperback. Book Condition: New. 231 x 185 mm. Language: English . Brand New Book. Harvey Daniels Literature Circles introduced tens of thousands of teachers to the power of student-led book discussions. Nancy Steineke's Reading and Writing Together showed how a teacher can nurture friendship and collaboration among young readers. Now, Daniels and Steineke team up to focus on one crucial element of the Literature Circle model; the short, teacher-directed lessons that begin, guide and follow-up every successful book club meeting. Mini-lessons are the secret to book clubs that click. Each of these forty-five short, focused, and practical lessons includes Nancy and Harvey's actual classroom language and is formatted to help busy teachers with point-by-point answers to the questions they most frequently ask. How can I: steer my students toward deeper comprehension? get kids interested in each other's ideas? make sure kids choose just-right books? help students schedule their reading and meeting time? deal with kids who don't do the reading? get kids to pay more attention to literary style and structure? help special education and ELL students to participate actively in book clubs? get kids to expand their repertoire of reading strategies?...

Good e book and useful one. I have got read and that I am confident that I will likely to go through once more again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
