This book may be worth purchasing. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

PETE SEEGER'S STORYTELLING BOOK

Harcourt, 2000. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Pete Seeger brings more than fifty years of performing folksongs to the art of storytelling in this unique collection of tales, ideas, and music. He and Paul Jacobs have put together fresh versions of familiar tales; stories based on songs, family histories, and America's past; as well as entirely new tales created just for this book. Each section describes the origins of the stories and there are suggestions for retelling and personalizing the tales to turn them into family favorites for bedtime or family time. And in keeping with the theme that a story never really ends-in fact gets better and better each time it is told-the book concludes with some beginnings, story openers to get you going on the path to creating your own storytelling tradition. Pete Seeger, a Grammy Award winner as well as the recipient of the N.E.A. National Medal of Arts and Kennedy Center Honors, has spent sixty years singing in peace rallies and civil rights marches, at schools and camps, and for unions. His internationally recognized songs include, Where Have All the Flowers Gone, If I Had a Hammer, and Turn, Turn, Turn. He lives in Beacon, New York, with his wife of over fifty years, Toshi Seeger.
