Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Rizzoli Universe Int. Pub Jun 2008, 2008. Buch. Book Condition: Neu. 320x232x20 mm. Neuware - On the heels of the runaway bestsellers *This is New York* and *This is Paris*, Universe is pleased to reissue another title from M. Sasek's beloved and nostalgic children's travel series. Like the other Sasek classics, *This is Ireland* is a facsimile edition of his original book from the 1960s and is still timely and current in every way. The brilliant, vibrant illustrations have been meticulously preserved, remaining true to his vision more than 40 years later and, where applicable, facts have been updated for the twenty-first century, appearing on a 'This is.Today' page at the back of the book. The stylish, charming illustrations, coupled with Sasek's witty, playful narrative, makes for a perfect souvenir that will delight both children and their parents, many of whom will remember this book from their childhood. *This is Ireland*, first published in 1964, brings the Emerald Isle to life, where the shamrock grows and a leprechaun stands at the end of every rainbow, guarding a crock of gold. There's Dublin with its bustling crowds, tall steeples, and Trinity College; there's Clonmacnois, the burial place of kings; there's the Blarney Stone to kiss for eloquence, and much, much more in this verdant, friendly land filled with enchanted lakes and mountains that fall steep to the sea. 64 pp. Englisch.
