Sally Merton is a young girl with a rich family and not a care in the world. The last thing she expected was to be at the centre of a thriller crime drama organised by thugs after her father's money. Amidst the suffering of being kidnapped romance blossoms, however, as one of her captors takes pity on her and eventually falls in love with her. With only Sam's love and the thought of butterflies to sustain her, Sally can only hope that her father will pay the ransom and end the crime and punishment she is enduring. However, news about the secret contemporary adult romance between their prisoner and one of their own reaches the ears of the kidnappers, and it suddenly seems like the crime drama unfolding in the old mill will come to a grisly end. Who will face punishment for the thriller crime? Can it really be true that for a girl kidnapped romance can be true love? And what about the family business Sam and Sally are planning for the old mill that needs the ambitious sums of money from the ransom in order to work?.
