Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Microsoft Excel 2016 is one of the products offered in the new Microsoft Office 2016, dubbed Office 16. Designed to replace the previously released Office 2013 and Office for Mac 2011, the product was first released to the public in July of 2015. The initial release was on the OS X software designed for users of Office 365, with the licensed version becoming available by mid-September of the same year. Among the new features is the animated effect now included when making cell selections or highlighting content to share across cells. The effect is now smoother and thus more user friendly. Excel 2016 is able to boast compatibility with the basic keyboard shortcuts previously found in Microsoft Word. Users will be able to apply shortcuts like Ctrl + P and Ctrl + C to complete simple copy and paste functions. The status bar has now also been colorfully modified, while the Tables ribbon has been redesigned.
