Naklada Nediljko Dominovic, Zagreb, 2012. Soft cover. Book Condition: New. 17 cm. The English language belongs to the West-Germanic group of languages and today is, beside Chinese, Spanish and Hindu languages, the most widely spread language in the whole world. It is estimated that about 400 million of people speak the English language as their first language, and about 199 million to 1,4 billion of people as a second language. The English language is the official language in the United Kingdom, USA, Canada, Australia, New Zealand, the states of Commonwealth, and the second official language in many countries. Knowledge of the English language is an imperative in the contemporary globalized world, and this handbook is aimed to those who through the usual conversational forms want to communicate in that language with greater ease.
