### Reviews

*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).*

Many strange things have happened in our world that we know nothing about, and many are performed by nature. Such as earthquakes that almost always change the landscape, storms that destroy what man has spent his life building. But the strangest of all is in the minds of men, whether spurred by greed, insanity, or just plain carelessness, what they sometimes do, no one can explain. Tyler, Texas was a prospering, somewhat wealthy community. A city of great proportion and in 1880, alive with prosperity and boundless growth, .until the murders began! Tyler s citizens were being randomly kidnapped and murdered, their bodies found several days later beheaded and drained of blood, left in the town square during the night to be found the next morning. There were no clues, no traces of wrongdoing. No one was seen, no sounds heard during the disappearances. Law enforcement was baffled, without a clue to follow or a suspect to question. It was as if some unknown force of evil was at work. No one ventured out of their homes at night, even though the victims were taken from their homes. Nine such murders had taken place before the Sheriff asked for help, and that help was in the form of Federal United States Marshals. What they would uncover would send shivers down their spine, as neither had ever heard of, or witnessed such cruelty in what they discovered to be a Cult of fanatics, .all worshipping Satan by performing their blood rituals. But where were they? They had searched both town and County several times with no results and now, they had only two days left before the full...
