Createspace, United States, 2014. Paperback. Book Condition: New. 230 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****. From the single party model to representative democracy, from structural adjustment policies to reforms on enhancing competitiveness and improving the business environment, almost all fashionable political and economic models have been experimented on the African continent. Yet, they all clearly failed, as attested by the majority of socio-economic indicators in the areas of nutrition, health, education, employment, etc. According to UN forecasts, Africa will account for a quarter of the world's population by 2050. If Africa is still unable to adequately address the problems faced by its billion inhabitants, how will it do it when its population doubles? Beyond the critique of neo-liberalism, there is therefore a pressing need to reflect about alternatives that will help Africa back out of this dead-end and find its own path. This is the perspective adopted by this book edited by Ndongo Samba Sylla, which compiles contributions of experts on Africa's development issues. Can democracy help to achieve the changes that Africans aspire to? If yes, under what conditions? Otherwise, what is the alternative? How can Africa break with neo-colonial...
