

Lemon the Duck (Paperback)

Filesize: 5.72 MB

Reviews

Complete information for publication enthusiasts. It is really basic but shocks inside the fifty percent of your book. I am just delighted to let you know that this is basically the finest book i have read through in my individual lifestyle and might be the best pdf for actually.

Lobster Press, United States, 2009. Paperback. Book Condition: New. Reprint. 264 x 206 mm. Language: English . Brand New Book ***** Print on Demand *****.This gorgeous picture book is based on the inspirational story of Lemon the Pekin duck (as seen on MSNBC and in TIME for Kids), who was born in an elementary school classroom. Neurological issues make Lemon unable to walk, but with the support of a compassionate teacher and her students, Lemon is still able to become one happy duck! In the story, Ms. Lake and her class conduct an egg-hatching project in school and on the big day, welcome four little ducklings into the world. The students soon realize that the soft yellow one they named Lemon looks like a duck and quacks like a duck, but can t stand up and walk like a duck. They worry that Lemon won t be happy if she can t do all the things ducks love to do, and work together to help Lemon thrive. Through caring for Lemon, the students share her in victories and learn that acceptance, love, and extra special care can go a long way. They also come to understand that her difference doesn t make Lemon any less special. To learn more about Lemon, visit.
