Maccius Plautus: Translated Into Literal English, With Notes This translation being intended for the General Examination, my object has been to translate as literally as is compatible with fair English. The notes are merely such as are necessary for the explanation of the translation itself, not of the Latin; Where words are supplied, I have pointed it out in the footnotes, instead of bracketing the introduced phrase in the text: and I have occasionally inserted such words as Now since c. at the beginning of a sentence, without noticing it. I have not thought it necessary to translate edepol pol c. by Pollux, but have tried to suit the rendering of the interjection to the sense of the passage.
