Xlibris Corporation. Hardcover. Book Condition: New. Hardcover. 280 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. Bored and cold in 1816, which was known as The Year without a Summer, Percy and Mary Shelly were on chilly holiday with their good friend the poet Byron. Remanded to the indoors, huddling around the fire, they challenged each other to write the scariest ghost story to pass the time. Mary Shelly composed based on the Prometheus legend where in the hero steals Zeus's fire from the center of the Sun. Now this is a big deal. The acquisition of fire allowed for the development of weapons and tools. Elevated and separated the human from the animals and maybe just a step closer to the gods. Well naturally Zeus gets pretty pissed. Punishes Prometheus by chaining him to a rock in the Caucasus. Every night he is visited by an eagle that ate his liver. (which of course grew back every day) Meanwhile Mary Shelly's take on all this turned out to be in the form of a strange tale about science run amuck with a mad doctor experimenting with the re-animation of dead bodies invested with life into a flesh and body living, breathing fiend. Sacred the living shit out of everybody in the movies as Boris Karloff lurched across the screen as a menacing nightmare fiend. And now some 200 years later all our advanced technology has generated a contemporary edition. Here comes CyberStein. In the late 1920s the first modern economic re-adjustment occurred with the crash of stock market based upon wild financial speculation that investors erected a mile high house of cards made of stock ticker tape and when the inevitable happened with a house of cards at least they had a deck of cards to pick up. But now...
