KENYA 3: ABERRATIONS

CINEBOOK: The 9th Art Publisher, Canterbury, 2015. Paperback. Book Condition: New. 1st English Edition. 48pp Suitable for: 15+ years. [In stock in Australia NOW, for immediate delivery] The mysterious events in Kenya are beginning to attract international attention - and maybe too much of it. After reporting to London, Kathy Austin returns to Kenya to continue her investigation. In the palace of Count Di Broglie, the young English woman finally meets the last survivors of the Remington expedition, but they lack material proof to support their stories. Kathy is ordered to obtain information on Irmanius, a rather inquisitive individual who's been snooping around the country. Who is he working for? The Americans, the Russians . or some considerably more foreign power? Brazilian artist Leo is best known for his science-fiction, multi-series saga 'The Worlds of Aldebaran'. He also created Canadian Mountie 'Trent' as well as 'Kenya' and its second season 'Namibia', all three with Rodolphe - a teacher, journalist and writer who has penned over 150 graphic novels so far and worked with some of the greatest names of Bandes Dessinées.
