His mother died five years ago, and his father is now headed for prison. But then Jack discovers he's a Yard Boy - someone with the ability to travel through Sorrowlines, the channels that connect every gravestone with the date of the person's death - and he is quickly pulled into an adventure beyond anything he could have possibly imagined. Finding himself in 1940s war-torn London, with his then - teenage grandfather, Davey, Jack soon realises that his arrival in the past has not gone unnoticed. As Jack struggles to survive, he comes ever closer to unlocking the dark secret at the heart of his family, and to - just maybe - changing his own destiny.
