But, as Linda Colley shows in this masterfully written book, Britain's overseas enterprises were always constrained by its own limitations in size, population & armed forces & by divisions among its subjects: constraints & deficiencies that could make the dream of empire an ordeal even for its makers. Drawing on a wealth of captivity narratives by men & women of different social & ethnic backgrounds from the early 17th century to the Victorian era, Colley examines the complicated dynamic between invader & invaded, using these extraordinary captivity narratives to trace the shifting boundaries of Britain's pursuit of empire & the evolution of its attitudes toward Islam, slavery, race & American revolutionaries, & forges in her brilliantly crafted text what is both a strikingly original chronicle & a timely meditation on the meaning of empire. \* "(Linda Colley's)...
