### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Omne tulit punctum qui miscuit utile dulci. In carrying out this programme for Pro Patria I have adhered to the ideal which I set up for myself in Ora Maritima, that the Latin text should be classical in form, but modern in setting. The scene is laid in a country house on the coast of Kent, and afterwards at Winchester, and the time of the action is the period from September 1899 to June 1900. I have thus been enabled to give unity of action to the two parts into which the narrative falls. The first part is taken up with a study of Roman Britain in connexion with a visit to Richborough Castle; the second with the Boer War, the first news of which arrives soon after the conclusion of the summer holidays. It is my hope that my young readers may find in the first part a more vivid picture of the condition...
