Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is a story about the American economy; did the recession to a depression was deliberately or and accident? We all know that it cannot be call an act of nature, because man has control over it. I call it as what it is and act of corruption against the American people. And if it did not do a domino effect on the country it might have went on for another twenty years without anybody saying anything. In the story it will should that when the people of a country are happy with what is being push on them that they like, they will ignore the real situation that the country is going through. I will be talking about the problems that are before us and how I think it happen. Did the government play with the currency by inflating the market? Did the real estate market inflated the market and force a recession? Did it push the people to an adjustable state of thinking? Did the government know what was taking place but did not know what...
