Excerpt: . . . ed three months with great advantage to her health. Indeed, the worst symptoms were overcome during this time, but it remained for her to follow out my directions, to complete her cure at home, at a great distance from me, and amongst those who had little knowledge and less faith respecting water cure. In less than a year from the time she commenced, her health was very firm and good--so much so that she could walk miles, or for hours, without a pain of any kind being induced by the exertion. TIC DOLOREUX, OR FACIAL NEURALGIA. Mrs. came to me with violent tic doloureux in the face. She had suffered for months with it, and was given up to great discouragement and depression. She passed through a course of tonic treatment by water, consisting mostly of wet sheet packing during the paroxysms, dripping sheet,...
